

Dear recipient,

The Finnish Institute for Health and Welfare (THL) is organizing a conference

Supporting Refugees' Mental Health

at THL's headquarters in Helsinki, Finland, on 11–12 December 2019.

Finland holds the six-month rotating Presidency of the Council of the European Union from 1 July to 31 December 2019. The Finnish Institute for Health and Welfare will host nine official side events of Finland's Presidency. 'Supporting Refugees' Mental Health' is one of these events.

You are kindly invited to join us to share best practices and promote cooperation on European level on supporting refugees' mental health and integration. The conference programme will revolve around the EPA (European Psychiatric Association) Guidance Mental Health Care of Migrants. Speakers during the two days include for example professors Meryam Schouler-Ocak, Levent Küey and Iris Tatjana Graef-Calliess, and Dr Marianne C. Kastrup.

The conference is free of charge but registration is required (<https://ilmo.contio.fi/readytogo/main.aspx?id=213>). Please refer to the conference web page on thl.fi/eu2019 for the preliminary programme.

Looking forward to seeing you in Helsinki in December!
